

The i WIN IW 81V is a revolutionary digital Visual presenter. Its digital CCD Camera head can pick up any kind of material (books, photos, 3-dimensional objects etc.) quickly and easily and provides a high resolution output signal for video/data projectors, monitors, interactive whiteboards or videoconferencing systems.

The i WIN IW 81V has a market leading specification of **220x self focusing total zoom**, and with **RS232** connection the images projected or recorded have **high definition capability**. This means lessons and lectures can be captured on P.C and further can be reused or uploaded.

The i WIN IW 81V weighs only 12lbs which allows for easy portability and with its **optional wheeled carry case** it can be moved from classroom to classroom.
